

JEB DUNNUCK 92-94**2024 Via Caritatis Ventoux Abbayes Grenache**

A tiny selection of 97% Grenache and 3% Marselan that sees 30% whole clusters, the 2024 Ventoux Abbayes Grenache offers red and black fruits, ground pepper, violets, and sappy flowers. Medium-bodied, concentrated, focused, and firm on the palate, yet with beautiful mid-palate density, integrated acidity, and a great finish, it's a serious effort that merits 2-4 years of bottle age and will keep for at least a decade. There are roughly 333 cases produced.
