

**JEB DUNNUCK****92****2024 Via Caritatis Ventoux Lux In Altis Blanc**

---

Based on 60% Roussanne, 30% Clairette, and 10% Grenache Blanc and aged eight months in new French oak barrels, the 2024 Ventoux Lux In Altis Blanc offers ripe orchard fruits, quince, honeysuckle, and spicy nuances with a kiss of brioche. It's medium-bodied, round, and supple, with a beautiful texture, nicely integrated acidity, and a clean finish. This is another impressive, rich, and textured white in the vintage that should drink well for 4-5 years. Drink 2026-2031.
